**DENNIS HARBAUGH**

During his tenure with Monroe County, Dennis has worked entirely for the Public Works Division. He first began his employment with the County in December of 1989 as a Maintenance Mechanic. Throughout the years, he has increased his knowledge, skills and abilities and has been promoted to and held various positions such as Maintenance Worker II, Truck Driver, and Foreman.

In November of 1994, Dennis was promoted to the position of Area Superintendent, and in 1997, he was reclassified to Roads Supervisor where he has remained ever since.

Dennis is always ready, willing and able to take on additional tasks and special projects. He has received excellent performance appraisals, and his personnel file is abound with commendations in affirmation of his hard work and dedication.

Dennis is an asset to Public Works and Monroe County, and we are extremely proud to recognize him for his outstanding service to Monroe County for the past 15 years; we hope there will be many more years to follow.
